FOUNDATION INC.

Dear Value Business Partner

The Dreamcatchers For The Soul Foundation Inc. will be holding the 10th Anniversary Mindful Gala on February 25, 2023. We are soliciting contributions for our silent auction to raise funds for Trauma-informed mindfulness programs for the children of the Miami-Dade, Broward, and Palm Beach Counties.

By supporting this grassroots organization through your donations, your company name and product description will be displayed and mentioned throughout the evening to 200 guests providing valuable exposure to your company moreover it will be an excellent opportunity to show your support for the community and generate interest in your business. This gala will feature prominent political and entertainment figures.

Dreamcatchers for the Soul Foundation is a non-profit organization. We are a holistic wellness organization for children and teens. We are committed to nurturing the lives of all children, by offering them self-discovery practices such as Mindfulness, Yoga, Tai Chi, Qigong, and other holistic self-care tools. All programs are led by our Trauma-Informed trained teachers who are passionate about making the healing tools of meditation and mindfulness, more accessible to all. We partner with schools, foster homes, shelters, rehabs, jails, and other youth organizations to bring our 8-week Trauma-informed Mindfulness Ambassador program. It is an education and leadership program for underserved and vulnerable youth in homeless shelters, domestic violence shelters, and foster care. The program will provide specialized training and work with participating youth to develop and implement their own action projects for delivering mindfulness training, education, or services for their peers and in their communities. Proceeds will also help fund the Annual Back to School Children of the Lotus workshop and Teens Open Space. This year we will be honoring 8 Mindful ambassadors and providing 4 of the High School seniors with scholarships.

We hope you will be part of this great event!

Warm regards,

Pamella Reid

## SUPPORT DREAMCATCHERS FOR THE SOUL

**BECOME AN AUCTION DONOR** Another exciting way to get involved in the Dreamcatchers for the Soul's 10th Anniversary Gala is to provide an item for auction. Your name or company name will be recognized when it is prominently displayed along with the auction item. Many generous businesses and individuals around the South Florida area donate goods and services that are auctioned off to raise money for Dreamcatcher for the Soul. This type of donation is a great way to show your support and generate interest in your product or service.

The evening of the dinner begins with guests browsing table after table of enticing lots, writing down bids, and even getting into "wars" to win a coveted prize at the silent auction. Popular items for the silent auction include furniture, home furnishings and artwork, jewelry, personal care items, and apparel. Local restaurants add to the excitement by offering to prepare special dinner parties in the homes of the highest bidders. Gift baskets with a theme work very well to group items, adding interest. Some basket ideas include:

**Picnic in the Park** – use a picnic basket and add plates, napkins, flatware, glasses, a bottle of wine, and a corkscrew, plus a gift certificate to a local grocer for food and two lawn chairs.

**The Makeover** – a salon can assemble a gift certificate for a cut and style along with shampoo and conditioner, spa products, and aromatic candles.

**A Night Out** – this basket could include a gift certificate for dinner, tickets to a movie or theater, a bottle of sparkling wine, two champagne flutes, and an overnight stay at a downtown hotel.

**The Gardening Basket** – use a small wheelbarrow and fill it with bulbs, gardening gloves, a watering can, a garden hose, and gardening tools.

These are just a few of the many themes that can be used. Have fun and use your imagination – the sky's the limit! (For donated items valued at less than \$100, we reserve the right to bundle several together into one basket to increase the interest and value.)
